“Keeping Trials Alive”

March 2020

Dear Members,

The club trial on 16th February at Ash took place despite Storm Dennis trying its hardest to scupper our plans; fortunately we have our own Dennis determined to resist the storm! While it was a pretty wet day the biggest challenge for many of us was getting to Ash through many flooded country lanes. Thankfully the Saturday working party volunteers set out very well designed sections for the conditions and a good ride was had by all. Many thanks to the Saturday working party

I have been informed that the March NKTC event planned for Horsmonden may have to change location due to a heavily waterlogged field where we park – please keep a close eye on the website and facebook for updates on alternative location arrangements.

Presentation of 2019 club championship awards remains to be arranged when weather conditions allow – please watch this space for updates.
